Amendment B

This Amendment shall memorialize the telephonic conversation between the Applicant's attorney, Nirav Patel, and the Examiner, Taylor Victor Oh, on Wednesday, November 27, 2002. Please amend the above-identified application as follows:

In the claims

1. A process for purifying a naphthalenic carboxylic acid selected from the group consisting of 2,6-naphthalenedicarboxylic acid and 1,5-naphthalenedicarboxylic acid comprising contacting an impure naphthalenic acid and a purification solvent selected from the group consisting of water or mixtures of acetic acid and water in the presence of hydrogen with a catalyst comprising a Group VIII noble metal selected from the group consisting of palladium, platinum, and ruthenium at a purification temperature of from about 520 to 575 °F. (amended)

REMARKS

The Applicant has amended Claim 1 to recite language that should be satisfactory to the Examiner. The Applicant has also enclosed a sheet of drawings that should be acceptable. The Applicant now believes that the application is now in a condition for allowance.
